Podium Medal Sponsors

Each sponsorship level corresponds to the number of children you will support to attend the LBSF Sports Camps in 2027. There's no more rewarding benefit than knowing you have positively impacted a child's life. Who knows, one day they might even find themselves on that podium!

As a camp sponsor, you will receive several benefits, including recognition during the event, VIP seating at the brunch, a letter or video from your camper(s), and your name featured on our website and camp materials as a sponsor. You will also receive a certificate of recognition.

We advocate for children who strive to reach their full potential, even when they face various challenges, such as issues with confidence or mental health. **Our flagship program, "Lyles Brothers Sports Camp"** is a summer camp designed to provide youth with access to elite professional athletes, engaging activities, and resources to improve their physical health. Additionally, we offer workshops that equip them with tools to enhance their mental health, boost their confidence, and build their self-esteem.
